- Payment in full for all players must be received 5 days before the event.

Pre-Booked Outings and Leagues

For more informal events, we offer pre-booked 9-hole and 18-hole outings.

Groups of 12 or more

Single-date events or weekly/monthly events

- 9-hole and 18-hole outings available
- Carts available but not required
- Ideal for leagues, families, juniors
- Pre-booking begins November 1, 2016 for all available 2017 dates
- All fees due in full at time of booking
- Adjustments to number of players subject to availability
- Refunds available if event is cancelled or changed
- No refunds will be given if event is cancelled within one week of its scheduled date
- Rainchecks issued in the event of inclement weather

Tee Times and Shotgun Starts

Tee time starts can be held any day and any time of day. Tee times are spaced at 10-minute intervals (24 players per hour).

A shotgun start is one in which all players in an event tee off at the same time, on different holes, in order to finish at approximately the same time.

Modified shotgun starts are available for groups of any size (full course shotgun starts require a minimum of 112 players).

>The cost of shotgun starts varies according to time of start...

- Within 90 minutes of course opening - no up charge
- After 90 minutes of course opening—\$10 per player per hour.

- 5) Have your event and have fun!!

Flatirons Golf Course *The Perfect Site for Your Tournament or Outing*

At Flatirons, we know that the top goal of your tournament or outing is fun. It's true that golf is built on fellowship and shared experience, qualities that enhance business relationships, friendships and organizational unity. But it all starts with a fun day on the golf course. Let us help you create a fun, memorable event that lets you and your group get the most from golf.

The staff at Flatirons knows golf and knows events, but we believe you best know your company, group or association. Our tournament and outing packages allow you to tailor any event to your specific goals and needs. We can take you from the practice tee to the 19th hole at very competitive rates.

Designed by noted golf course architect William H. Tucker in 1938, Flatirons Golf Course is a convenient, scenic and enjoyable venue. Located in east Boulder off of Arapahoe Avenue, Flatirons is within easy access of the entire Boulder-Longmont-Denver area.

Flatirons is not for expert golfers only. Multiple tee boxes, generous fairways and open approach angles to the green help accommodate all levels of players. Mature trees, strategically placed bunkers and water features and subtle green contours provide plenty of challenge for skilled golfers. Long views of the Flatirons and Indian Peaks add a sense of natural beauty to the round.

Tournaments and Outings

At Flatirons, we believe that it's *your* tournament or outing. We operate on a "menu of services" basis. While other facilities may require you to buy tournament administration, prizes and food service, we start with a basic golf package and let you customize it to the specific needs of your group. This golf event philosophy has been especially popular with charitable fund raising events and other organizations that have an interest in maximizing their charitable donations.

Our professional staff can assist you at any level of planning and execution, whether you are organizing a company or charity tournament, a small outing or a regular golf league.

Golf Event Types

Flatirons G.C. hosts two general types of golf events., Tournaments and Pre-booked Outings.

Tournaments are a package of player's fees, riding cart rental and warm-up practice balls.

Pre-Booked Outings are events that elect to only prepay the player's fees and leave the riding cart rental and practice balls up to the discretion of the individual player. Also, a Pre-Booked outing can better fit your needs if your event has several players who are utilizing one of our frequent player discount programs or discounted daily fees.

General Policies

It is the responsibility of the golfer to understand and follow the policies of Flatirons Golf Course. These policies are enforced to ensure that all players have an equal opportunity to enjoy their golf experience. The participants in your event are required to follow the same policies as all other golfers at the facility, including pace of play, proper attire, alcoholic beverages, proper conduct and etiquette and care for the condition of the facility and its property. Flatirons reserves the right to remove any and all participants in your event who refuse to comply with these policies. A general policies manual is available in the golf shop or at flatironsgolf.com.
